

Haha, hold on
Hold on, hold on
(Great John on the beat, by the way)

Look, please don't blow my high right now
I'm somewhere in the sky right now, you could die right now
You was always not around, huh, look
Now I'm up, I was down, wanna fuck with me now
Say what's up to me now, huh (Wait, wait)
I guess it's up to me now, guess it's, look, huh

Like fuck it, I'm done with them (I'm done)
Can't put trust in none of 'em, look (In none)
Get popped like a Perc' or somethin'
Shawty wanna give me top like a shirt or somethin', huh
Who the boys? We ain't heard of them
They ain't really spinnin' blocks, they ain't murder nothin', uh
Throw shots to your turb' or somethin'
Pull up, post up on the curb or somethin', look
I'm drippin' like water, Fiji
Sleepy did it, now they thinkin' it's easy, huh
They said they love me, need me
I'll go broke and I could bet you they leave me, huh
But fuck it, I'm back on the road (I'm back)
You know Sleepy gotta go (Gotta go)
Lil' bro been wildin', he just wanna pour
Hit a lick and split the tolls, huh
Hit a lick and let me know
Catch an opp and it's a score, huh
It ain't shit to let it blow, huh
It ain't shit to let it blow

Look, please don't blow my high right now
I'm somewhere in the sky right now, you could die right now
You was always not around, huh, look
Now I'm up, I was down, wanna fuck with me now
Say what's up to me now, huh
I guess it's up to me now, guess it's, look, huh

I guess it's up to you, gang, huh
Fuck niggas can't hang, look
Sit your five-dollar ass down
A billi' gon' make change
Back out, bro slidin' in a Range, huh
Fuck her, I don't know her name, huh
I don't love her, she for gang, huh
Better stay up in your lane, look
The plug named Carlito, huh
If he got them cards, he let me know
I'm in the trap with bro
Back then, we ain't have no clothes
Now we cash out, all facts for gold
Hold on, better watch your ho (Better watch her)
Lil' bitch tryna take my soul
Better pipe down, better watch your tone
Don't text, don't call my phone
Only one thing that I think you should know, like

Don't text, don't call my phone
Only one thing that I think you should know

Look, please don't blow my high right now
I'm somewhere in the sky right now, you could die right now
You was always not around, huh, look
Now I'm up, I was down, wanna fuck with me now
Say what's up to me now, huh
I guess it's up to me now, guess it's, look, huh
