

Gray

slenderbodies

Lately I've been feeling gray
A little less human
A little less human
A little less human

A little less human
A little less human

Lately I've been
Thinking about the ways I used to like to be
Maybe some day well create some harmony

Thinkin' 'bout a way to get all that I want
Maybe some day you could be the one

(Lady come on)

Lately I've been feeling gray
A little less human
