

Stress

Slick Rick

What's up, Idris?
You look sad, what's wrong, brother?
Stressed
Man, I hear ya brother
Stressed
Me too
Check it out

Stressed
On me, soul hungry, I'm lonely
Console me, crony, nigga, I'm
Stressed
Bring that ass, finger licking
Make that ass wiggle a little
Kind of sad here in Britain, I'm
Stressed
Bring that black power up
Now a watch how I bop now
Though a nigga was
Stressed
Now alive nigga?
I will survive nigga
Hi, nigga, drive nigga

Working patch, too cautious cat
Even white folk, "nigga, we bored, shit trash"
Service, my nigga, thermus flicker
Who curb nigga rhythm, what's the purpose of living? We
Stressed
Hold up! What's that dropping? Hip-hopping
Got a nigga pop locking, back on
Stressed
Pardon me, pure in me, certainly
Do make appear more orderly
Stressed
Gotta nurse cat game, now aim
Nigga ready, first black James, who's
Stressed
Not at all, got played, olé
Don't worry about the doll cat made, though
Stressed
Hero, young De Niro
Square now once again, or here I come to save the
Stressed
Poet and the visual
Love, kid
Co-existing with you though

Stressed
On me, soul hungry, I'm lonely
Console me, crony, nigga, I'm
Stressed
Bring that ass, finger licking
Make that ass wiggle a little
Kind of sad here in Britain, I'm
Stressed
Bring that black power up

Now a watch how I bop now
Though a nigga was
Stressed
Now alive nigga?
I will survive nigga
Hi, nigga, drive nigga
Stressed

Yeah, happy go thinker
Might smoke, but man a no drinker
But still got me some yack
And she got a stone ginger
Stressed
Yeah, man ain't no winger
No hero, man ain't no hinder
I'm with baddest Tanisha
Yeah, and got solid for Linda
Stressed
Fake interference
You came late on the clearance
Yeah, she came great on endearments
I might make an appearance
Stressed
You can't fake how you feel
I got weight and I'm serious
Yeah, she's grumpy, on her period
Yeah, I'm hungry from appearance
Stressed
Yeah, knots from the closta
Yah, yah, yah, in the club when I Busta
Just got a shell, got a plug from a rasta
Trapped from the scales, to a block, to a customer
Stressed
Yeah, I been down in the sufferer
Now I complain to the butler
Yeah, keep quiet, where's the muffler?
Yeah, I let her go, couldn't trust her
Stressed
