Here's an oldie but goodie Hit it, excuse me What? Can I have your attention? Mn. hmm

There's just a few things that I've got to mention (Uh, huh)
There's girlies out here that seem appealing
They'll come in your life and cold hurt your feelings
I'm telling you as sure as Rick is my name
I wouldn't trust not girl unless she feels the same

Treat 'em like a prostitute (Do what?)
Don't treat no girlie well until you're sure of the scoop 'Cause all they do is they hurt and trample
Listen up close, here comes my first example

Now ya been with your girlfriend for quite a while Plans for the future, she's having your child Celebrate with friends drinking cans and quarts Tell all your friends about your family thoughts

One friend was drunk so he starts to act wild
He tells the truth about the kid, it's not your child
Acting like a jerk and on his face was a smirk
He said, "Your wife went berserk while you was hard at work"
And she led him on and tried to please him
She didn't waste time, she didn't try to tease him

Treat 'em like a prostitute
(Do what?)
Don't treat no girlie well, treat no girlie well, treat no girlie
Well until you're sure of the scoop
'Cause all they do is they hurt and trample
Listen up close, here comes my second example

It's your wife
You buy the tramp jewels and clothes
You get sentimental and bring home a rose
Give her everything 'cause you swear she's worth it
All your friends tell you, "The bith don't deserve it"

Love is blind, so there goes your wealth Until one day, you see things for yourself Home from work early, Mr. Loverman You had a card and some candy in your right hand

There's the mailman, he was short yet stout He went inside your house and didn't come back out Bust it Just a friendly stop, come on, is it?

The mailman comes and he pays your wife a visit? The thought alone makes your temperature boil You say to yourself, she might still be loyal You open up your door and stand in a trance

You see the mailman's bag and the mailman's pants

Came home to party from work had a hard day
Look around your house and you say, "Where the fuck are they?"
Run upstairs up to your bedroom
You look inside your room, you see something brewin'
Cover your mouth because you almost choke
You see the mailman's dick way up your wife's throat

Treat 'em like a prostitute (Mm, hmm)

Don't treat no girlie well, treat no girlie well, treat no girlie well until you're sure of the scoop
'Cause all they do is they hurt and trample
Listen up close, here comes my third example

Now your girl, she don't like to have sex a lot Today she's ready and she's hot, hot, hot As you open up the door she says, "Get on the floor" She wants to try things she's never tried before She takes off your drawers and works you over She calls you Twinkles and you call her Rover

Next thing you know, the ho starts to ill She says, "I love you, Harold" and your name is Will That's not the half 'til you start to ride her Take off your rubber and there's one more inside her It's not yours—who can it be? I think it was a slick rapper, his name is M.C. Ricky

Treat 'em like a prostitute Don't treat no girlie well, treat no girlie well Treat no girlie well until you're sure of the scoop
