Slick Shoes

Here we go again, I can't believe how long it's been. And after
all this time, I guess I've lost some confidence
Here comes that voice again. Telling me I'm done
I will see this through, I promise that I will not quit. Althou
gh, it crossed my mind. I'm ashamed to admit
Here comes that voice again. Screaming this should end

We can rise above it all. Hand in hand, we can not fall
What's done is done and it's time to be over this. And this tim
e I know that I can't chase after the wind
When that voice comes again, I'll hear yours instead
