Slightly Stoopid

And some man live his life For profits alone That very same man He lives his life all alone And the road to life Yes it goes up and down Doesn't really matter As long as the music goes on Hey mister collie man Why don't you come round no more Hey mister collie collie man Don't you hear me troubled call Hey mister collie man Look i didn't come to disturb You best not be come 'round here Unless you've got me sensi herb I never needed any Reason for me to say Through all them troubled times Yes me love you any way And the roughest path You know the rocky rocky road You know that Life and love is a Heavy heavy load Hey mister collie man Why don't you come 'round no more Hey mister collie collie man Dont you hear me troubled call Hey mister collie man Look i didn't come to disturb You best not be come round here Unless you've got me sensi herb You best not be come round here Unless you've got me sensi herb
