

## Train 2

Slightly Stoopid

If ever I was something  
Know I ain't nothing, now  
Don't even matter, don't even matter how

Some things is meant to change  
Some things will always be the same  
Ooh

Somebody be fighting  
Now it is over, now  
But they do not remember what they was fighting 'bout

Some things is meant to change  
Some things will always be the same  
Ooh
