

Any Old Time

Slim Dusty

Any old time you wanna to come back home,
Drop me a line and say, no more that you'll roam,
You had your chance to play the game fair,
But when you left me ol' pal, you only left a load of
care,

But now that you're down I'm going to stick by you,
If can hear you say, your ramblin' days are through
And you'll find me here like the day you left me alone,
Any old time you wanna come back home.

I just received your letter,
You're down and out you say,
At first I thought I would tell you
To travel on the other way.

But in my memory lingers,
All you once were to me,
So I'm going to give you another chance
To prove what you can be.

Any old time you wanna to come back home,
Drop me a line and say, no more that you'll roam,
You had your chance to play the game fair,
But when you left me ol' pal, you only left beaten and
bare,

But now that you're down I'm going to stick by you
If can hear you say your ramblin' days are through
And you'll find me here like the day you left me alone,
Any old time you wanna come back home.
