

Into Each Life Some Rain Must Fall

Slim Dusty

Into each life some rain must fall
But too much is falling in mine
Into each heart some tears must fall
But some day the sun will shine.

Some folks can lose the blues in their hearts
When I think of you, hey another shower starts
Into each life some rain must fall
But too much is falling in mine.

Into each life some rain must fall
But too much, is fallin' in mine
Into each heart some tears must fall
But some day the sun will shine.

Some folks can lose the blues in their heart
When I think of you, hey another shower starts
Into each life some rain must fall
Too much is fallin' in mine

Into each life some rain must fall
But too much is fallin' in mine
And into each heart some tears got to fall
And I know that someday that sun is bound to shine.

Some folks can lose the blues in their heart
But when I think of you, hey another shower starts
Into each life some rain must fall
Hey too much is fallin' in mine;
Too much is fallin' in mine.
