Rainin' In My Heart

Slim Harpo

Rainin' in my heart Since we been apart I know I was wrong Baby please come home You got me cryin' 'Bout to lose my mind Don't let me cry in vain Try my love just once again Spoken: Honey, I need your love Darlin', you know why If you would come back home There'll be no need for me to cry Sings: Rainin' in my heart Since we been apart I know I was wrong Baby please come home
