I wanna tell you 'bout a dance That's goin' around Ev'rybody doin' it From the grown ups, down

Don't have to move yo' head Don't have to move yo' hands Don't have to move yo' lips Just shake yo' hips

And do the hip shake, baby And do the hip shake, baby The hip shake, baby Shake yo' hips, baby

Now, if you don't know Don't be afraid Just listen to me And do what I said

Don't move yo' head Don't move yo' hands Don't move yo' lips Just shake yo' hips

Do the hip shake, baby Do the hip shake, baby Do the hip shake, baby Shake yo' hips, baby

Now, ain't this ee-e-e-ee-easy?

Well, I met a little girl
In a country town
She says, 'What'd you know?'
'There's, Slim Harpo'

I didn't move my head I didn't move my hands I didn't move my lips She shook her hips

She did a hip shake, baby Did her hip shake, baby Did her hip shake, baby Shake yo' hips, baby

Now, ain't this ee-e-e-ee-easy?
