

## Still Rainin in My Heart

Slim Harpo

Still rainin' in my heart  
Baby, we still apart  
Now I know that I was wrong  
I need you baby, come on home

Since you been gone  
I been cryin'  
I've almost lost my mind  
So far I've cried for you in vain  
I need you baby, come on home, again

(harmonica & instrumental)

Spoken:

Honey, you played your part  
But instead, I broke your heart  
Now I know I wasn't so smart  
That's why it's still rainin' in my heart

Still raining in my heart  
Baby, we still apart  
Now I know how I done ya wrong  
Baby, please come on home

(harmonica & instrumental to end)
