Wonderin' And Worryin'

Slim Harpo

Wonderin' and worryin', will my baby change her mind Wonderin' and worryin', will my baby change her mind I can't make you love me baby, don't know why I keep on tryin' I love you baby, darlin' you just don't understand I love you baby, darlin' you just don't understand I'm in hope someday darlin', I can be your lovin' man One thing baby, I want you to understand One thing baby, I want you to understand When you've mistreated me baby, you've misused your best friend
