Let's get ghost in the Ghost
It's the one from the third coast who had the most
Toast to the bosses still ballin' with me
Twenty-plus, still ain't no stallin' in me
Niggas mad 'cause they doin' bad
And I'm still blowin' money fast
Paid cash, still in my bag
Done been around so long, they went back to my swag
Baggy jeans, tall tees, big chains
I stay up-to-date like my iPhone, man
Presidential plain, low-key with the change
Catch me one-deep in the streets ballin', man

Yeah, know what I'm talkin' 'bout? (Uh)
Know what I'm talkin' 'bout? (Wait a minute)
Know what I'm talkin' 'bout? (Uh)
(Know what I'm talkin' 'bout), uh (Ayy)
Know what I'm talkin' 'bout? (Uh)
Know what I'm talkin' 'bout? (Wait a minute)
Know what I'm talkin' 'bout?
(Know what I'm talkin' 'bout)

Young OG, every year, goin' harder
At this age, I could hit the mama or the daughter
Move smarter, so I still shine
Been the boss a long time, I own all of mine
I live the boss life like a man
And on my own two is how I stand
You ain't do it like me, playboy, stop it
Them dudes all in them dudes' pockets
Oh, that's how you got so many watches
Should've thought about your time when you sold your profits
But that's another topic
Retired, no bills, fuck it, I'ma go'n cop it
They keep askin' when I'm gon' stop it
Them checks ain't stoppin', fuck it, keep it poppin'
Still makin' profit
Fuck it, go'n 'head, drop it
I got a lot of options
Pull up in somethin' with the pipes poppin'
Pipes loud, I'ma turn the crowd
Know I'm cleaner than a bitch, so I'm lookin' proud
All-black like Batman
They be like, "There go that man"
We be breakin' boys off daily
Come here, take a pic with a boss, baby

Slim Thugga, nigga
Bad motherfucker, nigga
Never been a sucker, nigga
Niggas mad at a nigga 'cause a nigga richer

Nah, know what I'm talkin' 'bout? (Ayy)
Know what I'm talkin' 'bout? (Wait a minute)
Know what I'm talkin' 'bout?
(Know what I'm talkin' 'bout), huh
