We ain't going to no Papa's, we ain't going to no movies  
I'm taking you to the nearest motel, to do your duty  
I ain't talking bout to do me, hit the sidewalk cutie  
And see how much I can get paid, off your beauty  
Hit the cut go on strut, advertise that butt  
Flirt with all these freak niggas, let em know you a slut  
Bring big daddy them bucks, drop it in the Caddy truck  
You got bout three mo' hours, 'fore your time is up

It's the B-O-S-S-H-O-G-G click

And I'm not Don Juan, and I'm not Good Game  
But I can get a hood dame, and get me some good brain  
Stay gripping the cash, like I'm gripping the wood grain  
Over pots with the blocks, I'm whipping that good caine  
It's understood mayn, I got clips and guns
