

## Me & You

Slim Thug

Baby, let me be your blessing, I hate to see you stressing  
Tryna come up, but everybody tryna cut I'm guessing  
So fine, I know them niggas on your line all the time  
I can't blame them for shooting their shot, Imma shoot mine  
If I ain't lieing, I'm tryna see you naked in my bed  
But for now, we can get to know each other instead  
You scared I'm tryna hit it and split it  
But I'm the type to find something I like and stick with it  
Grown man vibes, we can slide or stay  
Type of boss say let's take a trip, we out there next day  
Big smiles on your face, lenty memories to share  
Still kinda toxic, but I'm getting better, tryna play fare  
[?] you're special, so I would love to bless you  
You say I can have any bitch, baby, I request you  
Knew the day I met you that the vibes was real  
No pressure, I just had to make sure you know the deal  
Thugger!

Maybe me and you  
Can [?]  
Baby, me and you  
It's us against the time  
I don't know what to do  
But I'm gon' keep on trying  
I ain't got shit to lose  
So I won't waste your time

Now you already know I never been a husband type  
Was on some [?] all y'all just loving life  
Was tired of bitches telling me I can't do nothing right  
Got me like we can't do nothing, if we don't fuck tonight  
But I don't wanna do you like that, baby, you're something different  
You gon' have to forgive me, I'm used to dealing with bitches  
You know the type that like to go through my phone  
And have they homegirls follow me around, until I make it back home  
I'm on some hoes that ain't shit [?] but to me you ain't a ho though  
Let's wake up in Houston, and go to sleep in [?]  
Everytime you walk n the room, I sware it be in slow mo  
I feel like I'm simpin right now, I guess that's how it go though  
Could see myself going the distance with you  
Baby, let's move in together, tired of these visits with you  
Do something different everyday, like what else is it to do?  
Somehow living is just a ly, if I can't live it with you  
It's Vandross!

Maybe me and you  
Can [?]  
Baby, me and you  
It's us against the time  
I don't know what to do  
But I'm gon' keep on trying  
I ain't got shit to lose  
So I won't waste your time
