**Slim Thug**

We lost so many H-Town legends  
I know y'all still reppin up in heaven  
Never got a chance to meet Fat Pat and wreck on a track  
I po up with Screw how SUC used to do (Damn)  
My nigga HAWK was one of the realest off the South Side  
Broke my heart when I heard my nigga died (RIP)  
Tragic, mother lost both her sons  
And the H-Town lost another legend reppin where we from  
I wish my nigga Big Moe was here, we miss ya Barre Baby  
Got the whole world barre crazy  
The first ones rapping about pouring up, sipping out of white cups  
I'm just tryna pay homage, look out for it we brought it (H-Town)  
And if it wasn't for my nigga Pimp C  
Me and Ro wouldn't be rapping together, RIP  
We miss you and I said it  
Thinking back on the good old days  
I'll mourn ya till I join ya, screwed up always  
RIP

Give people their flowers while they're here  
Tommorow isn't promised they could be dead in a year  
I can't even promise myself I'm gon' still be here  
So I tell all my homies I love'em while we still here  
Give people their flowers while they're here  
Tommorow isn't promised they could be dead in a year  
I can't even promise myself I'm gon' still be here  
So I tell all my homies I love'em while we still here

I wonder if my momma was alive  
Would she be proud?  
Shit she probably be telling me I need to stop smoking all that loud  
Yeah I raised myself, cause she was gone  
Six years old and a foster home  
But I think I turned out alright  
Cause a nigga be countin money all night  
Man I miss my nigga Big Mello, hell no  
Ain't gon' ever forget ya  
He was like fuck that one deep shit  
I lock the door I'm gon' roll with ya  
And I miss my nigga DJ Screw, but I called him Robert Earl  
Drove him around, we used to drinkin' to Joseph and Robert Earl  
That's the reason I roll one deep  
I'm tired of seeing my niggas dead in the street  
December 1st  
South West gorilla really died in a holdin tank?  
That's why I'm like fuck the police I ain't tryna end up in a holdin tank  
So many dead homies I'm out of tears  
If they ain't dead they got a lot of years  
Shannon Hayes doin 30 flat  
It's been so long is he ever comin back?  
And my nigga AB got 25  
D-Moe and [...] ain't even alive  
Imma mourn y'all until I join y'all
