

## Self Made

Slim Thug

GMB, that was so dirty, I know man self made man  
That's the way it goes, that's the way it gon' be GMB

Been made a name for myself, lil' nigga I ain't need no help  
Work swimming in the water, my credits  
All night in the kitchen, like a chef  
Ride strapped, I ain't trying to see death  
Ride with the same niggaz, to the death  
Some nigga went right I left, I'm doing me nigga nobody else  
Been made a name for myself, been made a name for myself  
Been made a name for myself, been made a name for myself  
Been made a name for myself, been made a name for myself  
Been made a name for myself, I'm doing me nigga nobody else

Been made my name I'm Sosa, in the four floating like I'm in a boat  
Now the 3 that's all a nigga smoke, had crumbs turned that shit into a loaf  
Boy dumb over a bitch going broke, only punch and got him on a slope  
Kicking shit like I'm in a dojo, need a brick hit up Diego  
The money machine be counting the green, I'm thumbing through a ll the blue hunnids  
Self made got a young nigga stunting, self paid counting chips no Funion  
I remember when I use to have nothing, had to grind for a whole lot of some'ing  
I'm a giant in the street so for ya, you a lame with no change and you fronting  
Got damn all this change, you a lame full of change  
It was on jamming southside mayn, took the nigga bitch now he g oing insane  
Right behind Slim Thug in a Range, he in a ghost and we bust at you lames  
In the sideways pure cocaine, and ery'thang I got I got it out the game

Been made a name for myself, who did it like me nobody else  
Remember young Thugga out the Nawf, went from being broke nowad ays he a boss  
Use to ride buckets now I ride foreigners, stayed on Homestead now I stay on Torren  
Use to ride drop Lac now I got a drop head, and I thank God I ain't never seen the feds  
Came a long way, started from the bottom like Dre  
Had to go get it on my own rather do this shit alone, it's too many niggaz out here fake

Fuck being broke keep steaks on my plate, eating good everyday  
like I'm trying to gain weight  
Call me the number one hustler in the state, dime piece chasing  
after nigga like bait  
Ay been made a name for myself, by myself I ain't need no help  
Fuck being broke trying to see wealth, cross me that's bad for  
your health  
Chopper chop you up till you see death, niggaz went right so th  
ey got left  
I'm doing me nigga nobody else, I'm doing me nigga nobody else  
Thugga
