

## Still

Slim Thug

I'm still climbing to the top nigga  
I'm still buying new watches nigga  
You can talk down all you want  
But I'ma keep doing what you don't, man

I'm from the bottom of the bottom  
Trying to climb to the top  
I'm trying to be the best like Biggie and Pac  
I'm trying to be the best then drop in the club  
And sell 10 mill like 50 did, 'cause  
Rap game change so it look like I'm hopeless  
If I stay high as fuck, how the fuck I'm gonna focus  
Refuse to go back broke and live with them roaches  
So everyday I'm calling plays, fucking with coaches  
My game ferocious, I refuse to lose  
I'ma stay up on my feet  
Long as I got shoes  
Me and my kids gonna eat, long as I got tools  
I'ma make it in this game or I'ma make it on the news thugga

I'm still climbing to the top nigga  
I'm still buying new watches nigga  
You can talk down all you want  
But I'ma keep doing what you don't, now  
I'm still pulling up the laps, nigga  
I'm still buying new drops, nigga  
You can talk down all you want  
But I'ma keep doing what you don't, you'll see

Without a doubt, why not, take a little show money  
And buy a couple bricks  
Make a little blow money  
Just to make up for me getting this slow money  
Got popped on nuts, ended up with no money  
Damn, Yeezy made that shit sound easy  
Now I'm scared that this bitch might snitch  
The game greasy but yeah  
I guess that's what I get for being greedy  
Had to pay for her cake, all them people was coming to see me  
I remember the good old days when niggas didn't snitch  
Them good old days when there was 16 to brick  
Nowadays in the dope game it's hard to get rich  
You gotta bust 'em down, put 'em together and shit

I'm still climbing to the top nigga  
I'm still buying new watches nigga  
You can talk down all you want  
But I'ma keep doing what you don't, now  
I'm still pulling up the laps, nigga  
I'm still buying new drops, nigga  
You can talk down all you want  
But I'ma keep doing what you don't, you'll see

Spirit of a guru  
Apprentice of a Nazi  
20 Rolex watches like I'm Liberace  
Lot of niggas started with us

But they turned against us  
Fuck niggas hear you talking even when you whisper  
Can't be fucking with no nigga paperwork in court  
We gon' find out everything before you go report  
Street ho, cheat ho, legend as appealing  
Bitch gon' fuck me in Detroit and don't miss out on blessings  
Versace probably watching Biggie can you hear me?  
I'm probably laughing, caught his spirit in me  
Watching niggas copy, they so wishy washy  
Say they did it but the city can't forget about it

I'm still climbing to the top nigga  
I'm still buying new watches nigga  
You can talk down all you want  
But I'ma keep doing what you don't, now  
I'm still pulling up the laps, nigga  
I'm still buying new drops, nigga  
You can talk down all you want  
But I'ma keep doing what you don't, you'll see
