

# The Top

**Slim Thug**

Ay, thugga

It's time to keep it real with these niggaz mayn, ha

It's so lonely at the top, so many phonies at the top  
Fake friends wanna see you fall, haters wanna see you drop  
The same bitch you laying with, will be the same bitch to call  
the cops

Own family fucking over you, trying to take a piece of your kno  
t

You bitches ain't right with me, you niggaz ain't paying fees  
I put in work for this money, y'all wasn't losing no sleep  
That's why I like roll one deep, in that big move same through  
them streets

You niggaz hoping for handouts, y'all ain't trying to eat  
I'm trying to live like a king, you niggaz ain't got no dream  
That's why I don't fuck with broke niggaz, it's only hogs on my  
team

Bunch of bosses, made me I still want mo'

If you ain't trying to be on top, what you hustling fo'

It's so lonely at the top, so lonely at the top  
Use to be my best friend, but now he wanna see me shot  
It's so lonely at the top, so lonely at the top  
Use to be my ol' lady, but now she wanna see me locked  
It's so lonely at the top, so lonely at the top  
Ery'body want your paper, until your paper run out  
It's so lonely at the top, so lonely at the top  
Can't even trust your own family, they stealing out the stash s  
pot hol' up

Same bitch in the bed, be the one to set me up  
Send them killers in the crib, let em come wet me up  
Mad cause she found out, about some bitch I fucked  
The game fucked up mayn, I don't know who to trust  
So I roll strapped judge in my lap, gotta keep these hating nig  
gaz off me

If it's fuck me nigga fuck you, that's what these streets done  
taught me

I'm on my grind don't cut my line, with what you hearing bout m  
e

I ain't worried bout what broke niggaz say, what the fuck them  
niggaz bought me

Cost me a lot of friends, when I went and got me ends  
Use to see smiles and grins, till that jealousy set in  
Ain't trying to see the pen', so I bought a two do' Benz  
These niggaz turning bitch, and them bitches crooked like men
