All my niggas bosses all my niggas hustlers  
All my niggas gettin money all my niggas 100

Whole life is a blurr get money get high  
Weed habit too expensive but ain't none else I wanna try  
Tryna see what else I wanna buy I'ma fly type of guy  
Still feel like I'm winning you see these forgis spinning?  
Feel like I'm back in the beginning feel like I keep getting better  
When I look at my new bitches I feel like I keep getting better  
Used to roll in the slabs since deuces in a dab  
Now I can't talk about cars without making them mad  
They say I brag too much cause I talk about stuff they ain't touched  
I rap for hustlers livin' that boss life like us  
Watch out lil bitch, watch out lil bitch

Watch out lil hoe, watch out lil hoe

Hold up, wait a min they done let me through the door  
Now my pockets full of dough my life a movie like Blow

 Fucked the bitch right on the floor then after she gotta go
