Slim Wray

Let me tell you 'bout my baby  
She come 'round here  
She 'bout five feet four  
From her head to the ground

I said she come 'round here  
Just about midnight  
She make me feel so good, Lord!  
She make me feel alright

And her name is:  
G L O R I A

Gloria!

I said she come 'round here  
Just about midnight  
She make me feel so good, Lord!  
She make me feel alright

She come walking down my street  
She come upon my house  
She knock upon my door  
She come into my room

And she makes me feel alright, alright!

Gloria!
