

Let's Talk Money

Slim

Let's talk money

Let's talk money (Suh, suh, suh, suh, suh, suh)

I done a lot of shit, it didn't work out (Yeah)

Turn on the phones in O, ten racks in a day, what a brilliant turnout (Yeah)

I coulda' been broke, sitting at home, you know, but look what I'm worth now

I hit the Pyrex hard when shit got hard and I left it burnt out

Yeah

I ain't linkin' H on the farm with a shotgun, hand ting fully extended clips

I ain't sent TT grub up north, I'm grabbing a blender, floodin' the mix

Don't get stuck in the mix, talking shit, put yourself in a pickle (No)

Oi, let's play piggy in the middle and see who's pumpkin ends up pitched

Who's live and firing? Who told you I'm tired of grinding? (Who)

Money and guns I find exciting, I'm OT causing a drug death crisis

Ayy, don't act up and lose your marbles, Internet beef is harmful

Have me in the back of the ride, yeah, riskin' life with a fuckin' car full

(Ridin')

Yo, less is more

I tell little man, "Go get to steppin' more"

It's '023 and I'm pressin' more 'cause the price is rising

Who's hungry? (Who)

I'll send the troops on a mission, tie up the link, and leave him potless

I got 99 problems, so many options, who wants to get this poppin'?

Let's talk money (Suh, suh, suh, suh, suh, suh)

Let's get a Airbnb, let's fill it with junkies

Get the bando jumpin'

Let's talk guns and parcels, don't be an arsehole

And get the mandem started

Tryna leave hairlines parted, broad day, pull up and clart it (Turn, turn)

Let's talk money (Suh, suh, suh, suh, suh, suh)

I was parkin' wapeens off a hundred pound car from Gumtree (Ugh)

Let's talk country

Turn that letter box vending machine, I don't wanna see undies

Let's talk Seaton

I got money on my mind, I walk with demons (Turn, turn, One)

Name the price, and I'll buy it (Turn)

Bring the grub, bet I fly it (Turn, turn up)

Full chicken, nah, I don't diet, this G in G lock, it stands for giant (One)

It's got an extended clip, man can have that singin' like it's Brent Faiyaz

(Ugh)

How many times did they get too angry?

Had to go do it in a car, that's tired (Told me turn, ayy)

Slice that dots with the ankle grinder (Told me turn), now I got my young bo

y out on a high-vis (Turn, told me turn, ayy)

Just last night, he done a night shift, I thank God he's an all rounder (Yo)

See, I had my ends phone, it was slow until my 'rex got filled up with powde

r (Pissed)

And now I'm with the gangdem, we're twenty man up and fillin' up guacho (Upt

own, uptown)

I was poor like Choudrary, niggas think that they tryna get clout off me

'Til there's two Jeeps out going wild for me (Suh, suh, suh, suh, suh, suh)

Turn, yo

In my bando was a half of each, but soon that turned a half to a ki' (Let's

get it)

Before six-figure video shoots, I was really Off-set with Cardi B (One)

Let's talk money (Suh, suh, suh, suh, suh, suh)
Let's get a Airbnb, let's fill it with junkies
Get the bando jumpin'
Let's talk guns and parcels, don't be an asshole
And get the mandem started
Tryna leave hairlines parted, broad day, pull up and clart it (Turn, turn)
Let's talk money (Suh, suh, suh, suh, suh, suh)
I was parkin' wapeens off a hundred pound car from Gumtree (Ugh)
Let's talk country
Turn that letter box vending machine, I don't wanna see undies
Let's talk Seaton
I got money on my mind, I walk with demons (Turn, turn)

Let's talk money (M1OnTheBeat)
Let's talk money
Suh, suh, suh, suh, suh, suh
