

No Secrets

Slim

Ayo, ease up
'Cause I swear your eyes always on my phone
And I know that I'm always on the roads
But you're messing with a guy like me
And it's easy to see
That I'm always on the goals

And no I don't take no cheque
Your ex ain't like me
He didn't take those steps
And you know that

And money comes in abundance
My Roley glows up
Groupies come with the hunger
It's nothing

'Cause I used to pull up on my pedal
Never say too much
But the trap kinda changed me up
You say I always say the right things
I think just like my diamonds
They dates and stuff
Just ease up

'Cause me I just wanna put my feet up
And smoke on my Cali spliff
But I see you
You're always in my a.m.
When my phone lights up
I see your face how it's panicking

I ain't keepin' no secrets (No)
So babes just ease up
'Cause I can't really deal with the pressure
You the baddest one in your section
And me, I just turned twenty-three
But the whole hood knows
I set levels

I ain't keepin' no secrets
So babes just ease up
'Cause I can't really deal with the pressure
You the baddest one in your section
And me, I just turned twenty-three
But the whole hood knows
I set levels

And I swear that you're always on my back
And I hear that I'm always in the trap
But this lifestyle comes with a price
My Hennessy comes with some ice
And a dinner date in west
Definitely ends with a pipe

And every other day
You're always preemin' my 'Gram

But I told you life's deeper than that
I'm tryna leave the hood, take flights
Put my feet in the sand
Probation ain't feelin' my plans
You're feeling the kid

My Pyrex is knee deep in mix
But me, I'm as real as it is
You listen to the nonsense
And that causes problems
I swear down I'm just too deep in the strip

'Cause I ain't really bothered
I ain't hiding nothin'
'Cause I'll be gone
If I have to get the life I'm poppin'
So just step back (Ease up)
I've had too many set backs
For me to ever let you stress man

I ain't keepin' no secrets (No)
So babes just ease up
'Cause I can't really deal with the pressure
You the baddest one in your section
And me, I just turned twenty-three
But the whole hood knows
I set levels

I ain't keepin' no secrets
So babes just ease up
'Cause I can't really deal with the pressure
You the baddest one in your section
And me, I just turned twenty-three
But the whole hood knows
I set levels

I ain't keepin' no secrets (No)
So babes just ease up
'Cause I can't really deal with the pressure
