

Have this one!  
Dat-dat-da, dat-dat-da, dat-dat-da-da-da  
Dat-dat-da, dat-dat-da, dat-dat-da-da-da!

(Yeah)  
(Rise)

Half alive and stark raving free and maligned  
For encroaching on the purpose of this commercial-free interruption  
Due to the prolific nature of this statement  
Listener aggression is advised

It's strange, whenever I see a gun  
I think about just how petty you are  
And it blows my fucking mind!  
Yeah, it blows my fucking mind!  
These days, I never seem to get enough  
I'm tired of this shit, I want to go up  
Don't waste my fucking time!  
Don't waste my fucking time!

Because anything exceptional  
Gets crushed by common people  
With jealousy and ignorance  
And all their common evils  
This planet isn't special  
Collections made of clay  
I'm waiting for the punishment  
I know it's on my way

[5x]  
(cut, cut, cut me up and  
Fuck, fuck, fuck me up)  
Cut, cut, cut me up and  
Fuck, fuck, fuck me up!

Irreverence is my disease  
It's secondhand, but you know me  
The son of a bitch is on his knees  
The last man standing gets no pity

Somewhere on a toilet wall  
I read the words  
'You form a line to formalize the former lies.'  
And I finally saw the truth  
Something so profound and now it's sitting there  
Surrounded by the garbage and the stains  
Another victim of the refuse

Now I've been saying this for years  
But you don't comprehend it  
I fight hell and I fight fear  
Because I understand it  
Androgyny and insults  
Your choice, don't wanna be difficult  
You want to win the war?  
Know what you're fighting for

[3x]  
(cut, cut, cut me up and  
Fuck, fuck, fuck me up)  
Cut, cut, cut me up and  
Fuck, fuck, fuck me up!

(2x)  
Cut, (cut) cut, (cut) cut me up and  
Fuck, (fuck) fuck, (fuck) fuck me up!

Irreverence is my disease  
It's secondhand, but you know me  
The son of a bitch is on his knees  
The last man standing gets no pity  
With angel eyes and demon seeds  
You're missing what you really need  
When all is said and done, you see  
The last man standing gets no pity  
(No pity) [5x]

(cut, cut, cut me up and  
Fuck, fuck, fuck me up) [2x]  
Cut, (cut) cut, (cut) cut me up and  
Fuck, (fuck) fuck, (fuck) fuck me up! [2x]  
Cut, cut, cut me up and  
Fuck, fuck, fuck me up! [2x]
