Slipknot

I'm not what you think
I'm not what you think
I'm not what you think
I'm not what you think
I'm not what you think
I'm not what you think
I'm not what you think
Or am I?
Or am I what you think?
Or am I what you think?
Or am I what you think?
You could never ever know
You could never ever know

Please keep far away (Far far away)
Keep far away (Far far away)
Far away (Far far away)
Far away (Far far away)
Please keep far away (Far far away)
Keep far away (Far far away)
Far away (Far far away)
Far away (Far far away)

I won't let you walk away
Without hearing what I have to say
I won't let you walk away
Without hearing what I have to say

That place in my mind
That space that you call mine
That place in my mind
Is that space that you call mine
That place in my mind
Is that space that you call mine
(Got trapped in)
(Got trapped in)
(Got trapped in)
(Got trapped in)

So please just trust in us
Just trust in us
Trust in us
Us
So please just trust in us
Just trust in us
Trust in us
Us
(Got trapped in)
(Got trapped in)
(Got trapped in)
(Got trapped in)

Danger
Danger
We too feel alone
We too feel alone
We too feel alone
We too feel alone
We too feel alone
We too feel alone

We too feel alone
We've too feel alone
We too feel alone
We too feel alone

That place in my mind
Is that space that you call mine
That place in my mind
Is that space that you call mine

Where have I been all this time?
Lost enslaved fatal decline
I've been waiting for this too unfold (Good)
My pieces are only as good as the whole

Severed myself from my own life
Cut out the only thing that was right
What If I never saw you again?
I'd die right next to you in the end

That place in my mind
Is that space that you call mine
That place in my mind
Is that space that you call mine

I won't let you walk away
Without hearing what I have to say
Without hearing what I have to say
Without hearing what I have to say
Without hearing what I have to say
Without hearing what I have to say

Danger

Danger
We too feel alone
