

# Dogfish Rising

Slipknot

There's a dog loose in the wood

Dogfish rising,  
It's good for gnawing,  
Right wing interlude,  
In the 1990s  
Thats got a nice groove to it there.

I saw a human hand,  
Windmills like two,  
Something at my left,  
Screaming to fulfill  
(Big scary muscles)  
Post sniff scrunchies  
What the fuck?

Dogfish rising  
Burn them for their nipples  
Another rubber Rolex  
So skinny I knows  
Who wrote these fucking lyrics?

Battery-powered power tool  
Black & Decker dildos  
Fully-covered pockets  
Pop it with... ohhh...  
God spoke to me!

Dogfish rising  
Blistering cabbage  
Poor fish-dog-thing  
Poor thing crawls  
Why take free lotion?

Back off fuck-head!  
Redneck percussion

Dogfish rising  
Cum are hard  
Pinpoint penis blood  
Quarter-inch off fat  
What are you laughing at?

Fuck it!  
That dogfish is dead  
I'm getting out of here guys  
See you later  
Have a good life  
Don't even bother trying to watch this  
It pours the lotion on the skin  
It pours the lotion on the skin  
THE GODDAMN LOTION!  
Yes, Mr. Burns?  
Crusty, fuzzy nuts  
Bye!
