

Fall

Slipknot

Talk to me!
Can you listen to me now?
Do you understand?
Can you identify?
But it's as if you seem to make a small effort
But you bend you're bending my mind and you try

And you try (I can see you to) suffocate
And smother me
Covered so I can't breathe

When we collapse (Fall) our weakened hands (Down) fall together
at once
abandoned
They'll force you down (Fall) and strap you in (Down)
Now we agree and understand

Speak slowly!
You gotta get it all out now
What are you saying?
Just remember we will always be here
Just in case you have been waiting
Waiting to show us something, or give us some sign

As if you're gonna suffocate, smothering
Covered so you can't breathe

When we collapse (Fall) our weakened hands (Down) fall together
at once
abandoned
They'll force you down (Fall) and strap you in (Down) now we agree
and understand

Gently lure your submission
All the while suspicion grows, grows
So be sick of listening
To senile old and staggering naive youth
Pick us up when

When we collapse (Fall) our weakened hands (Down) fall together
at once
abandoned
They'll force you down (Fall) and strap you in (Down) now we agree
and understand (2x)
