The Me Inside

Slipknot

Inside! Inside! Inside! Inside!
Inside! Inside! Inside! Inside!
Inside! Inside! Inside! Inside!
Inside! Inside! Inside! Inside!
Inside! Inside! Inside! Inside!

Numbing machines, assumes as its own
Reaction has feeling
Grinding me away
Killing me within myself
Losing all my hope
I must find a core...

(Tearing me) Inside!
(Tearing me) Inside!
(Tearing me) Inside!
(Tearing me) Inside!

My words
Death to my soul
Reaction is pain
Grinding me away
I must
Redeem myself
Or I'll destroy
Everything you know!

(Tearing me) Inside!
(Tearing me) Inside!
(Tearing me) Inside!
(Tearing me) Inside!

I swear I've got a cancer inside
All of me is in my mind
Cut my throat to last time
I bleed too, on the inside...

Doom (Pain)
Doom (Pain)
Doom (Pain)
Doom (Pain)

I swear I've got a cancer inside
All of me is in my mind
Cut my throat to last time
I bleed too, on the inside...
