

Three Nil

Slipknot

Chaos, it's just the beginning
Every promise I made I'm rescinding
Center mass in the middle of the monster
I'm getting tired of drowning the constant
Cry for help, it's debatable
The only reason that you love me is I'm hated by all
Come on, come see dysfunction
I guess we're gonna leave it open for discussion

Who am I? Where am I going?
Maybe I'm looking in the wrong direction
Maybe I'm looking for any direction

This is not my war, this is not my fight
This is something more, this is not my life

(This is not my)
Revolution
(This is not my)
Convolution
(This is not my)
Expectation
(This is not my)
Desperation

Holed up, scarred and tamed for the hell of it
Look at me, I am the glorified malcontent
Save me? Save this!
All I gotta do is give up and all is forgiven
I'm sick of being the butt of a cosmic joke
And I don't get the punch line
A million people lined up for miles
To see the great big mouth shut up and apologize

This is not my war, this is not my fight
This is something more, this is not my life

(This is not my)
Revolution
(This is not my)
Convolution
(This is not my)
Only reason to question why

Today, I said goodbye! Goodbye!
Oh I didn't need to leave to stay right here
Today, I said goodbye! Goodbye!
Oh I didn't need to leave to stay right here
Today, I said goodbye! Goodbye!
Oh I didn't need to leave to stay right here
Today, I said goodbye! Goodbye!
Oh I didn't need to leave to stay right here
Today, I said goodbye

I'm the pariah
(Break me)
I am the liar

(Save me)
I can take anything
(Make me)
Accuse me of everything
(Take me)

Cut off the system
(Shape me)
Deny my existence
(Waste me)
I won't be afraid
(Try me)
I won't be unmade
(Deny me)

So come on, break it off
Come on, buy the lie
Come on, say it, say it
Come on
Say goodbye! Goodbye!

Oh I didn't need to leave to stay right here
Today, I said goodbye! Goodbye!
Oh I didn't need to leave to stay right here
Today, I said goodbye! Goodbye!
Oh I didn't need to leave to stay right here
Today, I said goodbye! Goodbye!
Oh I didn't need to leave to stay right here
Today, I said goodbye!
