

Dirty Nails

Sloan

There are many kinds of minds
Many different kinds of minds
But mine is the mind
Shatterproof mind, shatter-shatterproof mind
Mine is the mind
Jiggery mind, poke-pokery mind
Mine is the mind
Shatterproof mind, shatter-shatterproof mind

I've got dirty nails
And I am scratching at your back door
I've got dirty nails
And I am thumping at your bedroom door

I want to slice up your life
(Slice, slice)
I want to slice up your life
(Slice, slice)
I want to slice up your life
(Slice, slice)
I want to slice up your life
(Slice, slice)

I've got dirty nails
And I am scratching at your back door
I've got dirty nails
And I am thumping at your bedroom door

I've got dirty nails
And I am scratching at your door, door, door, door
