

Dream Destroyer

Sloan

Yeah, yeah, yeah, dream destroyer
Yeah, yeah, yeah, dream destroyer
Yeah, yeah, yeah, dream destroyer

You woke me up in time to give me the news
You either pick or you choose
You either win or you lose
When it comes down to you

Somebody set me straight
You either love or you hate
There's no in-between
There's no room for me

Yeah, yeah, yeah, dream destroyer
Yeah, yeah, yeah, dream destroyer
Yeah, yeah, yeah, dream destroyer

You woke me up in time to tell me to move on
Wine, women and song
That's where it all went wrong
And for way too long

But I'd do it again
Just give me paper and pen
I'll sign the dotted line
I'm sure I'll be just fine

Yeah, yeah, yeah, dream destroyer
Yeah, yeah, yeah, dream destroyer
Yeah, yeah, yeah, dream destroyer
Destroyer
It was just a dream

I'm tired of living in my head
I wanna live out loud instead
The dream is over
I'm sure I'll be just fine

Dream, dream, dream destroyer
Dream, dream, dream destroyer
Dream, dream, dream destroyer
I'm sure I'll be just fine
Oh yeah
Oh yeah
Dream, dream, dream destroyer
Oh yeah
Dream, dream, dream destroyer
I'm sure I'll be just fine
Oh yeah
Oh yeah
Dream, dream
Oh yeah
Dream, dream
I'm sure I'll be just fine
Oh yeah
Alright

I don't have anything else for this
