

## Everything You've Done Wrong

Sloan

Do your time, to pay the price  
For every thing you've done wrong, baby  
In your life, you get so high  
There's nowhere left to go but down  
Don't believe that no one cares  
'Cause we're here waiting for you, baby  
Do your time  
And then come home for good

So don't hide yourself away  
Let it shine, let it shine  
Don't hide yourself away  
Let it shine

If you ever feel in doubt  
You have a place in my heart, baby  
If I ever feel left out  
I know I've got a place in yours  
Don't believe that I wouldn't dare  
To go and take you right back, baby  
Do your time  
And then come home for good

So don't hide yourself away  
Let it shine, let it shine  
Don't hide yourself away  
Let it shine, let it shine  
Don't hide yourself away  
Let it shine, let it shine  
Don't hide yourself away

Do your time, to pay the price  
For every thing you've done wrong, baby  
In your life, you get so high  
There's nowhere left to go but down  
Don't believe that no one cares  
'Cause we're here waiting for you, baby  
Do your time, and then come home for good  
Do your time, and then come home for good  
Do your time, and then come home for good
