

Flexible Flyer

Sloan

Down, down, down
The pilot is dead
Soon we will be found
These simple missions come and go

You'll keep your mouth shut won't you?
If you know what's good for you

Hello, goodbye
Make money from the sky
Stand up or sit down
'Cause you're my hundred dollar spy

You'll keep your mouth shut won't you?
If you know what's good for you

Blackmail is all so useful
Twice bitten, always shy
Hello, hello, hello
And goodbye

Don't rock the boat anymore
Or you're back to the fryer
Bend your back for the boys
Or you're back to the fryer
'Cause you're my flexible flyer
Yeah, you're my flexible flyer
Yes, you're my flexible flyer
