

Get Out

Sloan

Indifferent eyes advise
That you're always about
To get out, get out

There's been nothing to sign
So if you have any doubts
You can get out, get out

Get out, get out
No one will stop you

It's a crime you can't commit
But you were never devout
Get out, get out
Get out, get out

I've not heard from you of late
Maybe I'll give you a shout
Get out, get out

Get out, get out
No one will stop you
I'd love to know what you'd rather do
