

# Take It Upon Yourself

Sloan

When there's no shoulder on which to lean  
And it's clear no one will intervene  
To make sure no harm will come to you  
And yours, but you know you have to

Everyone gets tossed into the fray  
Though they never mean it, some might say  
If there's anything that we can do  
Might as well believe in you-know-who

Take it upon yourself  
Even though you'll be wanting  
Some assistance  
Take it upon yourself  
You're the only one acting  
In your interest

Now that all but you have called it quits  
Any favor loses sheen when it's  
Weighed against what they want in return  
Take it to the bridge and watch it burn

Take it upon yourself  
Don't be taking the back road  
Least resistance  
You take it upon yourself  
You're not overreacting  
There's a difference  
Take it upon yourself  
Even though you'll be wanting  
Some assistance  
Take it upon yourself  
You're the only one acting  
In your interest

Go  
Take it upon yourself  
Go  
Take it upon yourself  
Go  
Take it upon yourself  
Go  
Take it upon yourself
