

## Torn

Sloan

I've a feelin' that I've been torn  
What can I do?  
I say what you want me to say  
But now I've got to say what's true

You give me a word in edge-wise  
But sometimes I need more

I've a feelin' that I've been freed  
But I don't know what from  
I'm certain of what I was  
But I don't know what I've become

You give me a word in edge-wise  
But sometimes I need more

I've a feelin' that I've been torn  
What can I do?  
I say what you want me to say  
But now I've got to say what's true

You give me a word in edge-wise  
But sometimes I need more
