Slothrust

I won't ask you again
If you give it to me
If you give it to me
And I won't say it again
If you get it the first time
Get it the first time

I tried to be a good boy
But I'm feeling bad
Yeah I'm feeling bad
No one left to annoy
It's making me mad
Think I'll cause a scene
And shout it

Can't turn it around
Turn it around
Turn it around

I tried to play it cool
But I'm coming in hot
Yeah I'm coming in hot
Used to think that I rule
Now I've giving it thought
I'm giving some thought to it now

Can't turn it around
Turn it around
Turn it around

Can't turn it around
Turn it around
Turn it around

I won't ask you again
If you give it to me
If you give it to me
And I won't say it again
If you get it the first time
Get it the first time

Can't turn it around
Turn it around
Turn it around

Can't turn it around
Turn it around
Turn it around

Can't turn it around
Turn it around
Turn it around

I won't ask you again
If you give it to me
If you give it to me
And I won't say it again

If you get it the first time
