**Slothrust**

Some men purchase real dolls
To fill the void
But she don't finish dinner
And her expression never changes
Don't shake hands with the lonely kids
'Cause I hear that shit's contagious

Yeah, yeah
Yeah, yeah

Animals in my bed, animals in my bed
Animals in the streets
I like cats, do you like cats?
Of course you do, you sassy motherfucker
My stomach hurts
Does your stomach hurt?
Do our stomachs hurts together?
I feel pain, do you feel pain?
Will this pain last forever?

Yeah, yeah
Yeah, yeah

I don't think the flavor packet
Makes it taste much different
You said that you knew who you were
But I did not know what you meant

Yeah, yeah
Yeah, yeah

I'm a devil, you're a devil
We're all devils, Mary
You love Satan but you don't know her
And sometimes she gets scary

Yeah, yeah
Yeah, yeah
Yeah, yeah
Yeah, yeah
