

Happy Together

Slothrust

Imagine me and you
I do
I think about you day and night
It's only right
To think about the girl you love
And hold her tight
So happy together
If I should call you up
Invest a dime
And you say you're the one to me
And ease my mind
Imagine how the world could be
So very fine
So happy together

I cannot see me
Loving nobody but you
For all of my life
When I'm with you
Baby, the skies will be blue
For all of my life

Me and you, and you and me
No matter how we toss the dice
It's meant to be
The only one for me is you
And you for me
So happy together
If I should call you up
Invest a dime
And you say you're the one for me
And ease my mind
Imagine how the world could be
So very fine
So happy together

I cannot see me loving nobody but you
For all of my life
When I'm with you baby the skies will be blue
For all of my life
I cannot see me loving nobody but you
For all of my life
When I'm with you, baby, the skies will be blue
For all of my life

Ah
For all of my life
When I'm with you
Baby the skies will be blue
For all of my life
I cannot see me
Loving nobody but you
For all of my life
When I'm with you
Baby, the skies will be blue
For all of my life
