

# In A Sexual Way

Slothrust

I can't help but  
Look at you in a sexual way  
Where did you get that bod?  
Where did you get that face?

You told me once  
You were shit out of luck  
But you've got such perfect teeth  
And you never even had braces

I can't help but wonder  
What our babies would look like  
Would they be all strong like you?  
Would they be all uptight like me?

Pull me up from the ground  
Please digest my roots  
Eat the moldy fruit  
You've got an iron stomach, don't you?

Pull me up from the ground  
Please digest my roots  
Eat the moldy fruit  
You've got an iron stomach, don't you?  
Don't you?
