

## No Eye Candy

Slothrust

When you walked in the room  
I thought my luck had changed  
My luck had changed too soon  
I saw you on stage with a snake  
Navel dripping wet through my plasma screen  
Take one, take two, take three, take, take  
Take, take, take, take

But all you said to me was  
But all you said to me was

No eye candy, no eye candy  
No eye candy, no eye candy  
No eye candy, no eye candy  
No eye candy, no eye candy

Every night before I go to bed  
I like to read a book  
So that my mind will stop thinking about the things  
I stress about (stress about)

No eye candy, no eye candy  
No eye candy, no eye candy  
No eye candy, no eye candy  
No eye candy, no eye candy
