

# Pseudo Culture

Slothrust

Baby pictures on the wall  
But who notices things like that  
Anymore?

Take your pills and go to school  
Pseudo-culture fucks me all the time  
All the time  
But what time is it?

Oo-oo-ooh  
Oo-oo-ooh  
Ooh  
Oo-oo-ooh  
Oo-oo-ooh

I heard you got out  
I heard you got married  
I heard some other things  
I cannot easily repeat right now

I heard your hair grew  
I heard you wear makeup  
I heard you make up  
All of the stories you tell

Oo-oo-ooh  
Oo-oo-ooh  
Ooh  
Oo-oo-ooh  
Oo-oo-ooh  
Ooh  
Oo-oo-ooh  
Oo-oo-ooh

You're immune to all my shit  
But sometimes it seems like  
It still gets to you  
Do I get to you?

We could play it off  
Like nothing will happen  
But since nothing really ever  
Happens around here  
We could play it off  
Like we never failed

Oo-oo-ooh  
Oo-oo-ooh  
Ooh  
Oo-oo-ooh  
Oo-oo-ooh

Oo-oo-ooh  
Oo-oo-ooh  
Ooh  
Oo-oo-ooh
