

Sleep Eater

Slothrust

You've been talking in your sleep
You keep me up all night
You keep me up all night
Ambien makes you sleep eat
So you ate all night
Yeah, you ate all night

Telling jokes that lack a punchline
I'll laugh my head off
Were you dreaming of me?
Were you dreamin' about me dreamin'?

Cereal in the shape of ghosts
Melted in your milk
Melted in your mouth
Froot Loops look like inner tubes
In your grandma's pool
Where you floated around

Were you dreaming about the graveyard?
If you were, I'll sleepwalk there with you
I'll keep tombstones too

Eagles wearing women's shoes
Scumpin' in the sky
Scumpin' up the clouds
Dogs turn into other dogs
In your neighbor's yard
They were barking around

You were there, changed shape then too
Now I trust you less
Than I did before
But it's not even your face anymore

You've been talking in your sleep
You keep me up all night
