

## Dizzy

Slow Crush

Heavy feeling  
Clenching teeth and  
Fluttering core  
I Drown in your arms

Hold me  
Tight I feel I'm  
Slipping away from reality  
I feel I'm slipping away

Dizzy  
You spin me dizzy  
And keep me twirling  
Round and round and round  
You spin me

Climbing ropes and  
Burning palms  
My bruised head  
Keeps filling  
My heart with your oxygen

Dizzy  
You spin me dizzy  
And keep me twirling  
Round and round and round  
You spin me

Hold me  
Tight I feel I'm  
Slipping away from reality  
I feel I'm slipping
