

Let loose the wide world that holds you
Scratch through
Your waves linger

Soft and glow
My mind
Let's escape
Fill my head
And dream away
(My mind)

Ocean crashing calls you
Emotion
Your waves linger

Ebb and flow
My mind
Let's escape
Fill my head
And dream

I want you
To hold
Onto

Onto
I want
You to
I want you
To hold
Onto
I want you
To hold
Onto
