

Sway

Slow Crush

Show me
Show me how you feel
Tell me
Tell me this is real

Stuck on you

Under this moon
We sway for lost time
Under this moon
Your hand in mine

Sing me
Sing me a song
Hold me
Hold me tonight

Stuck on you

Under this moon
We sway for lost time
Under this moon
Your hand in mine

Show me
Show me how you feel
Tell me
Tell me this is real
Sing me
Sing me a song
Hold me
Fool me
