Why can't we feel the sa-ame?  
I know I'll never try agai-ain  
It's not that it couldn't cha-a-ange  
Is it worth it to pretend?

I thought it should be easy  
Remember how we used to be?  
Expectations led me awa-a-ay  
Now, I wonder if I should have changed

Should I try all over again?  
(Why can't we feel the sa-ame?)  
To try all over again  
Should I try all over again?  
(Why can't we feel the sa-ame?)  
To try all over agai-ain

Should I try all over again?  
To try all over again  
Should I try all over again?  
To try-y-y all over agai-ain
