

## Channel 2

Slow Pulp

Concentration takes up all of my time  
I'll come back tomorrow  
Your hesitation tells me what was on your mind  
It's never convenient

I saw it happen  
Yeah something happened  
But what comes after?  
What would it matter

Expectations keep me in the back of the line  
I'll come back tomorrow  
The situation tells me what was on your mind  
It's never convenient

I saw it happen  
Yeah something happened  
But what comes after?  
What would it matter
