

# Die Alone

Slow Pulp

Oh Jane  
Where'd you go?  
You've got me running in circles  
Oh no  
I guess it was only a matter of time

And now you're gone  
And I know I'll  
Die alone  
Now you're gone  
And I know I'll  
Die alone

Oh Jane  
You'll never know  
You've got me running in circles  
Oh no  
I guess it was only a matter of time

And now you're gone  
And I know I'll  
Die alone  
Now you're gone  
And I know I'll  
Die alone
